

The spring meeting of the Clemons Pond Assoc. was held at Hazen's camp on Saturday May 26, 1979. The secretary's report was read and accepted. The treasurer's report was read, we have a balance .49.09 in the assoc. fund. Road fund is \$100.63. The treasurer's report was accepted. Old business - the taking out of the refrigerator Lyndon Ward + Jim Fottle were put in charge of it. Place jugs out at same time Mark with paint so it would show up at night. Treasurer will bill each member for dues and road fund.

Write to people who haven't joined and ask if they are interested. It was discussed about assessing the other people to pay for road repairs. Mr. Hazen will draft a letter + the sec. will make copies. Some brush will have to be hauled out. The Mc Gunnis' trailer (across the road from it) has a sanitary problem, and we discussed a better way for them to dispose of their garbage.

Brush is in the mouth of the brook and Robbie Spigge will take care of it as soon as the water was no up.

Gravel should be hauled in and filled in on the worst part of the road. The people on the road decided to rake & remove large rocks. Check into price for bulldozer work. Lyndon Ward's brother will be hired and it will be done as a group some week-end.

Motion was made - See Mr. Chesire about permission to cut bushes back on the side of the road. Mr. Hazen will see him.
So voted.
