

Clemons Pond Fall Meeting

Sept. 3, 1995

Meeting called to order by Pres. Dave Killey at Novak's at 10²⁷/Am.

Secretary's report - accepted as read.

Treasurer's report - \$ 376.60 Balance. accepted as read

Road Fund report - given by Merlene Pottle - the Road Fund Chairperson. She stated that fall up grading plans were in the works and that donations take care of "just the fuel."

A warm welcome was extended to our new friends and members The Bradley's and The Smiths.

It was mentioned that Judy Comer has been in the hospital and came home Tues.

We happily applauded Bob + May Hazen's and Ralph and Libby Morse's 50th wedding anniversaries. As we wished them many more a lot of us hoped we can be as lucky.

Shoreline zoning: It was mentioned that the town has a shoreline rule in effect.

OLD BUSINESS

1. A big thank you went to our picnic committee and to the Kinnip's for hosting it.

A. The hat was passed to Carolyn Rousseau by Ava Saurman who added a light house to it.

2. Dissolved Oxygen: dissolved oxygen report given by Dave Killey was very good until yesterday (Sept. 2) and now its way down. He did state that this may be due to the extremely dry year we are experiencing and stated that readings will be done for a couple of consecutive years. These readings are sent to the state. If the dissolved oxygen levels drop low for an extended period of time, algae grows and we have trouble.

A. Dave also suggested that Phosphorous levels reading could be considered for the future. Road run off into Little Clemons will effect Big Clemons.

B. Dave was thanked for his time, effort and expertise in doing his tasking.

C. Dave Killey suggested that the new president

of the Assoc. contact the state and county in respect to protecting little Clemons from road salt and gravel dumping. Motion was made and passed.

3. The before mentioned mosquito dunks have BTI in them thus making them senseless and illegal to use in and around bodies of water.
4. A nice thank you note from Judy Comer was read.
5. A thank you went to Walt Thak for keeping the Clemons Cemetery looking nice. Victor Zelman expressed his thanks.

New Business

1. COLA DUES: There are now 27 households involved in this matter. Motion was made & passed to pay our dues for another year.
2. Loon Monitoring: Judy Bradley along with Chris & Nancy will assist our Loon Ranger - Jo Smith.
3. Motion was made and passed to once again purchase dragon fly larvae. Walt & Louise Thak volunteered to pick them up and plant them again.
4. Jo Smith mentioned that people could purchase a Clemons Pond Shirt available at 4-Corner Store for \$13.75 ea. If unable to purchase or find one we were urged to get in touch with Jo.
5. Dave Dille found an article in the paper stating there is a bond issue to help purchase public access to Mamie's in-land waterways. This sparked off some discussion about concerns for the beach area on Big Clemons.
6. New Officers:
Pres - Victor Zelman
Vice Pres - Richard Hunt
Secretary - Normie Lambert
Treasurer - Carol Hill
Road Fund Chairperson - Marlene Pottle
7. Spring Meeting: Sun, May 26th, 10^{AM} at Holly Harolds.
Meeting Adjourned 11:25 AM.

Respectfully Submitted
Normie Lambert
Secretary
